Re: Mount Saint Mary's University Chalon Campus Wellness Pavilion Project;
ENV-2016-2319-EIR

Dear Ms King:

As stated in our June 12, 2018 comment letter on the DEIR, submitted in conjunction with the Brentwood Community Council, we request again that the DEIR be recirculated with a Project Description that correctly reflects the scope and impacts of the proposed Project and provides the required information for the community to analyze the Project.

Respectfully,

Kathleen Flanagan
